Dear Mayor, Council, and Manager,

Enclosed is the final report contracted for under Phase Two of our services. This report can be considered a resource manual as you proceed to create your housing authority. Within it you have templates for virtually all aspects of setting up a system for both for sale and rental projects. The draft resolution for you to consider covers all of the initial organizational language needed to get launched. There is a need for you to filter through it and modify it to meet the Town of Tusayans' specific thoughts on how best to proceed. If we can be of further assistance, please do not hesitate to ask. Once you have set up your authority it may be useful for us to conduct an orientation meeting for the new members.

Sincerely,

John B. Young & Scott V. Brown,

Phase Two – Task Three

“Prepare a model resolution, to be reviewed by the Town Attorney, for the creation of a Tusayan Housing Authority. The model resolution will be based on a jurisdiction with similar characteristics, and the Consultant will provide input in terms of efficiency and other criteria.”

“Prepare a written draft plan for a down payment assistance program.”

Provide the Town with a written summary document of tasks accomplished in Phase II.”

Model Resolution – attached as a separate document

Down Payment Assistance Program : This program needs to be tailored to the Town of Tusayan’s targeted group. What we are offering is intended to be a starting point for the dialogue between the Town, the Housing Authority and the Community. While we will suggest language for each of the guidelines, they should be properly debated and modified accordingly. The following represents a typical outline of the criteria for making a loan to a homebuyer. Underlined areas are subject to local conditions.

Eligible Borrowers : Borrowers must be employed within the Town of Tusayan and may not own other real estate, within Coconino County, at the time of closing.

Service Area : The Town of Tusayan, AZ

Eligible Property : Single family homes, condominiums, townhomes, duplexes, modular homes or manufactured homes on a permanent foundation taxed as real property located within the Service Area.

Income Threshold : A household whose purchase is funded with a Conventional, Rural Development, or VA mortgage shall have a household income no greater than 200% (this needs to be analyzed in terms of what does it mean in actual numbers for your area), of the most recently published HUD Area Median Income adjusted for household size in Coconino County. A household whose purchase is funded by a mortgage insured by FHA shall have a household income no greater than 150% (same discussion), of the most recently published HUD Area Median Income adjusted for household size for Coconino County. Income is established by the currently demonstrated income, excluding overtime, shift bonus, commission, bonus income, business interests, investments, monetary gifts, and any other sources of money not identified but that can be accessed by the applicant that have not been earned consistently for the previous 2-year period with a strong likelihood of continuance.

Loan Amount : First time homebuyers can request 5 % of the purchase price or \$25,000.00, whichever is less. Previous homeowners having ownership in the last 3 years may request 5% or \$15,000.00, whichever is less.

Maximum Purchase Price : \$625,000, adjusted annually to Fannie Mae's maximum purchase price.

Compatible Mortgages : The Town of Tusayan loan may be used in conjunction with any first mortgage except first mortgages containing a negative amortization feature or prepayment penalty clause.

Loan to Value : Maximum loan to value is 105% of the purchase price.

Income to Debt Ratio : Maximum of 50%

Minimum Investment : Borrower must have a minimum investment of 3% or \$10,000.00, whichever is less, from a source acceptable to the primary lender.

Assets : Borrower may not have verified assets in excess of two times the household income, excluding retirement funds.

Repayment : Principal and interest payments are not required. The loan will become immediately due upon sale, transfer, refinance, when the home is no longer the primary residence, or upon death of the buyer. Subsequent subordination requests are reviewed on a case by case basis by the Tusayan Housing Authority.

Use of Funds : Down payment, closing costs, and pre-paid items related to the primary loan. The funds may be used for a construction loan that will roll into a mortgage loan.

Term : The maximum term is 15 years.

Loan Fees : A fee of \$250.00 shall be charged by the Tusayan Housing Authority only at the time of loan closing and reflected on the settlement statement.

Collateral : Subordinate lien priority on the subject real property.

Repayment : The equity share mortgage may be repaid at any time. Repayments will include the original principal plus a pro rata share of any appreciation (if any) realized. Appreciation will be determined by the sale price or a satisfactory appraisal.

New Construction : The loan can be used in new construction but may not be used to acquire vacant land.

Rate Caps : are not applicable

Application: A loan application check list will be created capturing all of the Tusayan Housing Authority's and lenders criteria.

Closing Procedures : Will be established by the Tusayan Housing Authority and the applicable lenders.

Capital Improvements : A list of allowable capital improvements will be generated by the Tusayan Housing Authority, that can be exempted from the appreciation consideration.
